3 April 1956 Chief, Administrative Staff, CRR Chief, Industrial Division, ORR 25X1A9a Supplemental Statement Concerning 1. This statement is intended to supplement the statement already in your possession concerning 25X1A9a background. 25X1A9a has been and is a conscientious employee. As his branch chief has indicated in his fitness reports, Mr. accepts assignment willingly, works conscientiously to 25X1A9a Tulfill the assignment and works well with others. He is an "old hand" in government who understands and works well within the framework of the government regulations. He takes his security obligations seriously. 25X1A9a experience and background had been almost 100 percent in machine operation and machine shop administration. His background does not suit him for the research-writing obligations of an analyst in ORR. Moreover his interest does not lie 25X1A9a case, the problem with Mr. in this area. As in is one of mis-slotting. I am certain he would perform 25X1A9a very creditably in one of the position types recommended and that, by this means, the Agency would realize on its investment 25X1A9a in 25X1A9a Distribution: Orig. and 1 - Addressee
